

CITY OF CLYDE HILL

PUBLIC HEARING on 2024 Stormwater Management Program (SWMP) Plan

The City Council will hold a public hearing (hybrid) to discuss the annual update to the City's Stormwater Management Program (SWMP) plan during the City Council Special Meeting scheduled on Tuesday March 12th, beginning at 6:00PM

The current SWMP and information on Stormwater in Clyde Hill is available on the City's website at www.clydehill.org under Public Works -> Stormwater Management. A copy of the annual SWMP update will be available at City Hall or by request. Questions or comments regarding this update can be directed to the Public Works Director, Shaun Tozer at shaun@clydehill.org.
