

PROCLAMATION

A PROCLAMATION OF THE CITY OF CLYDE HILL, WASHINGTON, TERMINATING THE MAYOR'S MARCH 10, 2020, EMERGENCY PROCLAMATION RELATED TO THE COVID-19 PANDEMIC

RECITALS

A. With the occurrence of the pandemic outbreak of COVID-19 throughout much of the world and in Washington state, Governor Inslee issued a statewide "State of Emergency" on February 29, 2020.

B. Because of the actual and potential impacts to the city of Clyde Hill posed by the pandemic, on March 10, 2020, I, as mayor of the city of Clyde Hill, issued a local emergency proclamation declaring a state of emergency in Clyde Hill.

C. After nearly two years of combatting the disease, on September 8, 2022, Governor Inslee announced that he intends to end the statewide State of Emergency by October 31, 2022.

D. The extraordinary measures taken to protect the public health, safety, and welfare of city residents, businesses, visitors, and personnel are no longer required, and the powers granted by my March 10 proclamation are no longer necessary.

E. With the statewide emergency now coming to an end, it is appropriate that I similarly terminate my March 10, 2020, emergency proclamation to coincide with the termination of the state proclamation ending the emergency by October 31.

PROCLAMATION

NOW, THEREFORE, I, Marianne Klaas, Mayor of the city of Clyde Hill, terminate the city's COVID-19 emergency proclamation as follows:

1. Based on changing circumstances and improving conditions related to the COVID-19 pandemic in Clyde Hill and throughout Washington state, the emergency previously proclaimed under the authority of Chapter 38.52 RCW no longer exists within the city of Clyde Hill.

2. The emergency proclamation I issued on March 10, 2020, is terminated and is no longer in effect.

3. Any authorization for emergency work or procurements issued in the March 10 proclamation is terminated and is no longer in effect.

4. If necessary, staff are authorized to take additional time after the termination of the emergency to wind-down activities related to the 2020 state and local emergency proclamations.

DATED this 31st day of October, 2022.

Marianne Klaas, Mayor
